ABOUT DAVID BERMAN

David Berman is an international accessibility expert. Having worked in 29 countries over 25 years as a graphic design professional David has developed policy, consulted and trained for Forbes 500 companies like IBM. His work in government is significant having worked with Health Canada, the Treasury Board and Statistics Canada. David's commitment to the education environment is no less impressive, he is the Chair of Carleton Universities' Access Network, has worked with Algonquin College, University of Toronto and many others as well as numerous district school boards in Ontario. He has been the National Ethics Chair for the Graphic Designers of Canada, has served on the ISO standards committee and is currently as a member of the committee for accessible PDF (PDF/UA). A bestselling author, "Do Good Design" and high level advisor to the United Nations David has a passion to include and educate all for the benefit of the common good.
